flour a year now and the only complaint we ever had was made by a family who had been using these other so called high patented flours. They said it made the bread so good that they used too much flour. Can you beat that? Try a sack and be convinced at your grocers. If he offers you something just as good or better, phone us as we know it has a few equals and no superiors. Then too, if you use Graham flour, Whole Wheat flour, or Corn Meal flour, ask for the Las Vegas product as we warrant them strictly high class, and freshly made.

### BROKAW DIVORCE CASE ATTRACTS MUCH ATTENTION

New York, Dec. 11.—Circumstantial revelations of ill treatment with which she charges her millionaire husband, W. Gould Brokaw, were continued yesterday when the trial of Mrs. Mary Blair Brokaw in her suit for separation and \$60,000 a year alimony, was resumed at Minola.

The story told on the witness stand by the attractive society woman of alleged abuses to which she had been subjected through her husband's jealousy and ill-temper, is nearing its end. McIntyre, his attorney, the latter declared that his client would welcome the resumption of amicable relations with Mrs. Brokaw.

"Mr. Brokaw," said Mr. McIntyre, "loves his wife dearly and is willing to have the suit discontinued in spite of all the charges she has made, if she will only return to him. He believes his wife has been wrongly advised and he is by no means in fear of losing the suit."

I wish to say to my customers and to the public, that my fine herd of cows has been inspected by U. S. Veterinary Inspector Dr. C. E. Eitling and are all O.
